### **Sacred Corner**

A wise king by the name of Solomon once said:” There is a time for everything, a season for every activity under heaven. A time to be born and a time to die. A time to plant and a time to harvest.” (Ecclesiastes 3:1-2)

Our residents have done their best in the spring, summer and fall seasons of their lives to nurture and bless their families and communities. Now it’s our turn to bless them in the winter season of their lives by lovingly caring for them. What a privilege!
